Carwath Farm Wind Farm Proposal

West Coast Energy held a public exhibition at Rosley Hall on 26th September where proposals for a 3 turbine wind farm were presented. It was an opportunity for the community to ask questions about and give their views on the proposal. There will be an opportunity to make representations to Allerdale Borough Council when a planning application is submitted later this year. For more information about wind farm developments in Cumbria go to either www.cumbriawindwatch.co.uk or Boltons FORCE www.littlewaver.co.uk

Hesket Show - thank everyone who donated tombola prizes, jams, chutneys and cakes for our stand at Hesket Show. We had a very successful day raising awareness of the Group and the services we provide.
