Surplus Apples Scheme

We have had your excess apples made into juice and it is now available for sale from Caldbeck and Hesket Newmarket Post Offices and the NFG Office at Millhouse Village Hall. The Village Agents also have stocks. It will also be on sale at various fairs and gatherings in the next few months. Delivery for bulk orders of over 12 can be arranged please contact Anne Cartmell, 01697478484. The success of the scheme depends on selling them all. The proceeds after paying for the processing and bottling are all going to the Northern Fells Group funds. It does keep unopened for a year so why not stock up your cupboard as there will be no more until this time next year. Not sure whether anyone tried gin and apple juice last season but if not why not give it a go this year. Even without the gin it is absolutely delicious as it is pure juice with nothing added or taken away. Only £2.95 a bottle.
