

Giocoso at Rosley Hall

25th November at 7.00pm.

Pie & Pea supper, desserts, raffle

This was a really enjoyable event last year, so please come along and listen to this great group of singers - acapella style. The bar will be open. Tickets are £10.00 from Lyn at contact@warnellparishes.org.uk or phone 016973 26509.

Church Coffee Morning

Rosley Hall, 9th December, 10am to 12noon
very kindly hosted by Kathleen Watson

Harvest Lunch - thank you to everyone who helped prepare for the lunch and for those who supported it by attending. Everyone seemed to enjoy it and there were a few laughs along the way in serving the trifle...no names mentioned !!!! Our church funds were boosted by £313.

Church Security There have been a few "break-ins" at churches in the Diocese and we have been encouraged to look at our security measures, which the various PCC's have in hand. As a result, our insurance company have requested that we provide them with details of any key holders. If anyone has a key, who is **not** a PCC member, please will you let us know by contacting me or Lyn at contact@warnellparishes.org.uk or phone 016973 26509. Thank you for your help. Rev Eileen

Supporting others - Rosley PCC are considering setting up a food box outside of church, to benefit our local community, rather than taking non-perishable items to the Food Bank in Wigton. There will be a small donation box for anyone wishing to leave a small cash donation in exchange for goods. If you have anything you would like to place in the food box then please do so. Thank you for your support

Rosley Remembered - Rosley PCC still have around 75 of these booklets. The booklets were printed to provide the layout of the churchyard with details of the graves and their inscriptions. If anyone would like a copy, for a small donation, contact Lyn 016973 26509 or contact@warnellparishes.org.uk

Solway Red Squirrel Group - We are getting increasing sightings of red squirrels in Westward which is very encouraging, hopefully they may soon start to spread into Rosley. However squirrel pox is always a threat, earlier in the year a newly established population disappeared after a case of pox. Grey squirrels carry the pox virus but are unaffected by it, it is fatal to reds! Please report any sightings of both red or grey squirrels so that we are able to monitor the situation. **Email: solwayredsquirrels@hotmail.co.uk or phone 01228 711520 Thank you**
